Aldsworth Garden Store Assembly Instructions

Please read through these instructions and ensure they are kept for future reference.

PLEASE NOTE: THIS SHED COMES WITH 10 SCREWS

STEP 1: Place the slatted floor in position.

STEP 2: Fix the two sloping sides with the lower edge at the front onto the floor panel in each corner using the bolts provided. Keep the bolt head facing outwards with a washer and nut secured behind.

STEP 3: Now fix the back panel onto the floor base and sides.

STEP 4: Fix the galvanised roof firmly into place.

STEP 5: Tighten up all the bolt fixings once the log store is assembled.

STEP 6: Now using the screws provided fix the 2 hinges to the right hand side of the door.

STEP 7: Finish with fixing the sliding bolt at a comfortable height on the left hand side of the door.

The door can of course be fitted to open the other way if desired.

STEP 8: Please position against a sheltered wall.
