Rive Droite Drinks Trolley Assembly Instructions

Please read through these instructions and ensure they are kept for future reference. All parts and hardware are listed on the back of this guide.

Care Instructions

We recommend assembling your drinks trolley on a non-abrasive surface such as a dust sheet or the original cardboard packaging.

Please avoid positioning your furniture on uneven surfaces.

To avoid fading over time, do not expose your furniture to direct sunlight.

We advise against the use of abrasive or corrosive cleaning agents as discolouration may occur.

In the event of any spills, wipe them immediately with a damp cloth.

Always use place mats and coasters, to prevent scratching, heat rings and water marks. Do not place hot or cold items directly onto your furniture.

To prevent any damage to your drinks trolley, we advise against the use of power tools to assemble.

Whilst suitable for indoor and outdoor use, we recommend storing your furniture inside or undercover to preserve its condition during the winter months.
