Brayford Bistro Table Assembly Instructions

Please read through these instructions and ensure they are kept for future reference.
All parts and hardware are listed on the back of this guide.

WHEN ASSEMBLING THIS PRODUCT PLEASE PLACE PARTS ON A SOFT SURFACE TO AVOID DAMAGE OR SCRATCHES.

Care Instructions

We recommend assembling your table on a non-abrasive surface such as a dust sheet or the original cardboard packaging.

Please avoid positioning your furniture on uneven surfaces.

To avoid fading over time, do not expose your furniture to direct sunlight.

We advise against the use of abrasive or corrosive cleaning agents as discolouration may occur.

In the event of any spills, wipe them immediately with a damp cloth.

To prevent any damage to your table, we advise against the use of power tools to assemble.

Please do not drag the furniture, we recommend to always lift it to move, avoiding any breakages.

Always use place mats and coasters, to prevent scratching, heat rings and water marks. Do not place hot or cold items directly onto your furniture.

When tilting the table, please exercise caution to avoid loosening the glass surface.

Whilst suitable for outdoor use, we recommend using a garden furniture cover to preserve its condition during the winter months.

We advise that two people assemble the product together. Parts can be heavy.
