Widford Enamelled Cast Iron

Important:

1. Treated with refined **soybean oil**.
2. Cast iron remains hot long after you remove it from the heat source. Therefore, always use with caution to prevent burns.
3. Keep out of reach of children.
4. Not dishwasher or microwave safe.

Use and Care:

1. Before first use please rinse with hot water and wipe dry.
2. Do not pour cold water on to hot cast iron as this can damage the surface.
3. Do not clean with any sharp cleaning tools or harsh chemicals.
4. Allow the cookware to completely cool down before storing away.
5. Use cooking oil to condition the dish.
