West Strand Sofa Set - Aluminium Product Information

Please read through these instructions and ensure they are kept for future reference.

This product is crafted with a rust free, welded aluminium frame. The modular frames are connected together with simple black plastic horseshoe shaped connectors, which clip under the seats.

The cushion fabric is showerproof, but they should not be left outdoors for prolonged periods. We recommend sponge cleaning any marks that appear on the fabric. The covers are removable. Handwash only in cool water.
