Hoxton Bullet Pendant Light - Glass Installation Instructions

Please read through these instructions and ensure they are kept for future reference.

Please note, this fitting is not supplied with a bulb.

Bulb required: 1x LED E27 Max 10W Bulb

Safety Information

Lights that require wiring in:

1. It is recommended that this fitting is installed by a qualified electrician.
2. The fitting should be fitted in accordance with current UK Buildings and Wiring Regulations.
3. Before attempting installation or maintenance, ensure the power is switched off at the mains power switch. Ensure other persons cannot restore the electricity supply without your knowledge.
4. If in doubt, please consult a qualified electrician.
5. To avoid damage to concealed wiring during installation, establish the direction of the supply cable before drilling fixing holes.
6. Extra holes should not be drilled into the ceiling rose as this may cause it to crack and break under pressure.
7. This fitting should be fitted to a lighting supply with a protected 5-amp fuse or equivalent circuit breaker.
8. If the external flexible cable appears damaged, the fitting might be unsafe. Contact Garden Trading for a replacement.
9. Always be sure to use the correct type and wattage of bulb as indicated on the fitting (and stated above).
10. Do not exceed the maximum wattage stated on the fitting.
11. Using the incorrect bulb or wattage may cause damage to the light and therefore void the warranty.
12. When changing the bulb, ensure the mains power supply is switched off and allow the old bulb to cool before handling. Dispose of bulbs carefully.
