## Marlborough Locker Right Hinged Assembly Instructions

Please read through these instructions and ensure they are kept for future reference.

All parts and hardware are listed on the back of this guide.

Please ensure the unit is securely fixed to the wall to avoid tipping. Fixings are not supplied. Please ensure you source and use correct plugs and screws for the surface you are fixing this product to.

### Cabinet Care Instructions

Dust regularly with a clean dry cloth.

Wipe up any spills immediately with a damp cloth and then dry the surface with a clean dry cloth.

Never use abrasive or corrosive cleaning agents.

Always use place mats and coasters to protect the surface from moisture and heat. Avoid sharp objects scratching the surface.

Avoid placing on uneven surfaces.

Do not drag furniture, always lift to move.

Maximum Weight Capacity

Top Panel: 15kg

Shelf: 10kg

Bottom Panel: 15kg

# Garden Trading®

1. Stand both legs (E) up and push the side panels (A) down onto the legs.

2. Assemble the back panels onto the standing structure and bend the tabs in the corners to fix in place.

5. Insert the shelf brackets (7) and the shelf (G).

6. Insert the metal posts (2) and washer (3) in the hole in the leg.

3. Insert the bottom panel (F), starting from the front and pushing it all the way down into place.

4. Add the top panel (D), starting from the front. Align the top with all the side and back panels and push down with enough force to click it into place. Check from all angles that the side and back panels are slotted in correctly.

7. Using a screwdriver attach the handles (6) to the door (C) with the small screws (4) and small washers (5). Slide the door down on the post and into correct position against the cabinet. At the top of the door, insert L-shape post (1) up in to position through the holes and bend the tab to secure in place.

8. Attach the anti-tip strip (8) to the back of the unit using screw (9). Secure the unit to the wall to avoid tipping.
