Care Instructions

We recommend assembling your armchair on a non-abrasive surface.

To prolong the life of your armchair, we advise dusting it regularly with a soft, dry cloth and vacuum with a brush attachment.

We recommend keeping your furniture away from heat sources like fireplaces or radiators - plus moisture - to prevent warping.

To preserve its condition and avoid fading over time, avoid exposing your furniture to direct sunlight.

We recommend professionally cleaning your upholstery once a year.

Please do not drag the furniture, we recommend to always lift it to move, avoiding any breakages.

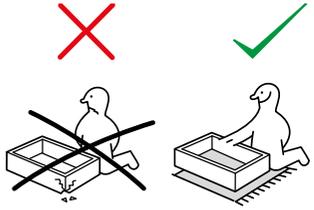

To prevent any damage to your armchair, we advise against the use of power tools to assemble.
