## Marden Lounger Product Information

---

Please read through these instructions and ensure they are kept for future reference.

This product is crafted in weatherproof PE Rattan (a polyethylene based rattan) which is extremely hardwearing with a rust free aluminium frame. The cushion is showerproof but should not be left outdoors for prolonged periods. We recommend sponge cleaning any marks that appear on the fabric. The covers are removable and can be hand washed in cool water. Do not tumble dry.
